

Listing ID: 2387

Company Name: Fireplace Corner

Showroom Description:

Jetmaster open fires evoke a sense of well being and comfort while providing an ambience only achieved by a dancing flame. Whether burning gas or wood, Jetmaster's heat circulating warmth adds market value to your home, while creating the ultimate escape from the harsh wind and driving rain of winter.

Jetmaster's sales and installation team is passionate about their product and offers professional one-on-one advice on design for a new or existing fireplace and surround.
