

Listing ID: 3784

Company Name: Terrace House Factory

Showroom Description:

**Terrace House Factory specialises in selling original house parts for distinctive restoration and conservation of Victorian, Edwardian & Federation homes. We carry a large range of original four panel doors, french doors, windows, Victorian fire place inserts and cast iron lace & columns.

We have a large range of original architectural fittings including door furniture, locks & handles ideal for heritage restoration.

To complete your renovation, Terrace House Factory also stocks bathroom fittings, chimney pots and roof finials as well as lead light doors and windows with decorative glass panels like the beautiful Flannel Flower glass.
